

LIST OF MARGINABLE SECURITIES TO SCHEDULE G: MARGIN TRADING

It is important to note that not all securities can be bought or borrowed under this Schedule. Securities that you will be able to borrow will be **borrowable securities**. Securities that you will be able to buy on credit will be **marginable securities**. By this List we provide to you a list of what we consider to be borrowable and marginable securities by posting on the website or by other communication means agreed under the Terms. We will be entitled to make changes to this list at any time without consulting you in advance. In making changes to the list, we provide to you a list of what we consider to be borrowable and marginable securities by posting on our website or by other communication means agreed under the Terms. We urge you to visit our website frequently in order to be aware of the relevant list since due to the nature of the securities' market there might be changes to the list within the day.
